

CHARTERHOUSE

COMMERCIAL FINANCE PLC

Delivering  
Credit Management and  
Finance in Partnership

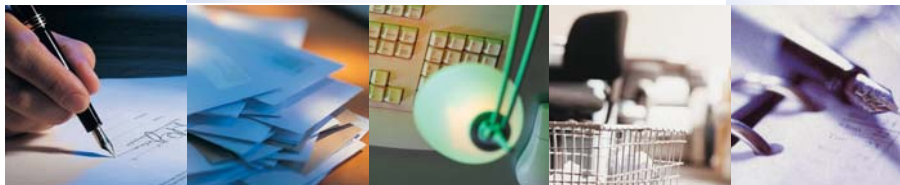

**Our services are designed to maximise your cash flow by providing an immediate injection of cash against the value of your outstanding invoices.**

# A means

**When you submit an invoice, we can release up to 85% of the invoice value within 24 - 48 hours, allowing you to put the cash where you need it most.**

## Cash Flow Benefits:

- Access to cash when you need it most;
- Generates immediate working capital;
- Reduces the pressure on your cash flow.

## Outsource your credit management functions to us:

- 24 hour internet access for viewing account details;
- Collecting payments from customers;
- Sales ledger and credit management;
- Monthly statements to customers;
- Pursuing late payers including issuing court proceedings;
- Regular reports direct to your desktop;

## Freedom to Grow:

- Cash flow and sales are linked, allowing you the freedom to expand;
- Focus on sales and grow your business;
- Increase the amount of funding available to you.

# to grow

## Our Promise To You:

We will work with you to set up a bespoke sales ledger management structure and credit control service that is individually tailored to your business requirements.

We offer our clients open and honest services. The information provided is clear and informative enabling them to monitor our performance. We believe that the service to our clients must be transparent so there are no hidden charges or hidden dates of entry.

Charterhouse provides a professional and efficient service that allows you to focus your time and energy on increasing your sales.

## The Fees:

Our services are tailored to your business so the fees will depend upon your specific needs.

We have two types of fee:

- A service fee for the provision of the service;
- The cost for the money you use.

# Release your potential, call 0870 243 1836

Charterhouse Group International has been involved in providing remuneration solutions to the recruitment industry since 1989 and, in offering this service, brings together core competencies in the design, management and fulfilment of business processes and financing.

Our extensive experience in working with companies and the support of over 270 staff enables us to tailor our services to the exact requirements of our clients.

We focus on building business partner relationships with companies, helping you to focus on your strengths.

Our reputation as one of the leading suppliers is endorsed by the fact that all of the top 10 UK recruitment companies currently work with our services.\*
